Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §1.56 and §1.97 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicant hereby directs the Examiner's attention to references A01 through A29 and B01 through B19, and C01 through C05, which are listed on the attached revised PTO Form 1449. Copies of these references are submitted herewith.

Consequently, Applicant respectfully declines to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicant submits herewith several pages of a "revised form PTO 1449" entitled "List of References Cited by Applicant" instead of "List of Prior Art Cited."

Pursuant to 37 C.F.R. §1.97(b), since this Information Disclosure Statement is being filed before the mailing of a first Office Action on the merits, it is believe that no fee is

due in connection herewith. However, should the Patent and Trademark Office determine otherwise, please charge the required fee to Jones Day Deposit Account No. 50-3013.

Applicant respectfully requests that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Respectfully submitted,
